4 HIGH STREET WESTBURY • 01373 865948
CONGRATULATIONS TO GOODING ACCOUNTS ON THE NEW PREMISES

Gooding Accounts are delighted with their new high street presence

find it faster on your mobile at **dentons.net**

Director Sam Gooding and his team at Gooding Accounts are over the moon with the opportunity to move to a larger, more prominent location in Westbury town centre.

Gooding Accounts was established by Sam Gooding, a fully qualified accountant, three years ago and with his reliable, friendly team, has a vast array of experience within the accountancy profession.

They offer a wide range of services from bookkeeping to VAT and from payroll to annual accounts; and represent a large number of the local businesses and sole traders.

"Being in the centre of Westbury brings a whole wealth of opportunities to us and our clients", said Sam. "Not only from a commercial point of view but office accessibility is vastly improved, plus we have client parking at the rear of the building."

"The move allows our business to continue to grow and gives us a platform to build upon, but more importantly it's bringing business back into the centre of the town and helping to improve the look of our high street."

In addition to the move Gooding Accounts have re-branded their business.

Keeping the green was a key component and they have been delighted to receive so much positive feedback about the office frontage.

As a firm Gooding Accounts are constantly evolving their services to cater for the differing needs of customers – striving to provide the 'little extra'.

"Our holistic approach to accountancy means that we can be there from the very beginning of a start-up, supporting you and your business with accounts, bookkeeping, tax planning and payroll to name but a few", states Sam.

Engaging with clients and providing a professional client focused approach are essential to Gooding Accounts and despite the company's growth Sam is at the forefront, meeting every client and ensuring that services are tailored to meet every client's specific needs.

As well as celebrating the opening of the new offices, Sam is also celebrating 20 years in accountancy and three years since establishing Gooding Accounts on 1st July.

Consequently, Gooding Accounts are

holding a charity drop-in tea party on Thursday 29th June to celebrate. Please just pop in and sample some cake, and all donations received will go to Dorothy House Hospice.

Sam and the team are extremely fortunate to have received a huge amount of support from local businesses, suppliers, individuals and family, and would like to put on record their heartfelt thanks to everyone who has made the move possible and for supporting Gooding Accounts in the first three years of trading.

As for the future... Gooding Accounts is a business providing employment for local people; a fact that they are extremely proud of.

Their objective is to assist and support other local businesses to flourish and hopefully in the future we will see a number of successful local businesses grow alongside them.

• For more details, contact Sam and his team at 24 Warminster Road, Westbury, BA13 3PE; call 01373 510020; email sam@goodingaccounts.co.uk; or visit www.goodingaccounts.co.uk
