time Mitchell said. "A lot of hard work is put in to making this event such a success, as we have seen in previous years, and the town council working group would not be able to do this without the help of other groups in the town and the help and commitment of our town council staff who go above and beyond the call of duty."
"We have a lot of things lined up for this year; it has always been an enjoyable event and we hope the people of Westbury will enjoy this year's line-up."

There will be free parking in all Westbury car parks for the day.
